

2001 Harley Davidson Custom Softail

16,200 miles.

Heritage Springer forks lowered 3 inches by custom springs and rockers, with a 5 degree rake for improved handling and suitable for sidecar installation.

Xxotic Panhead style rocker box covers.

Custom Knucklehead style bars with internal wiring and internal throttle.

Leather Pro's quick release saddlebags.

1961 FL tank badges

Nearly new tires.

Heritage Springer detachable windshield not shown.

I have the lightbar for mounting driving lights and turn signals, original equipment fork springs, rockers, stock length rear shocks, original floorboards and pegs, factory service manual, and many additional parts.

\$12,000.00
